STATE MEET QUALIFIERS

This may seem a little premature... But... Hotels have a way of filling early so, If you know you are going to be going to the [YMCA State Meet 2012](#) here is our hotel information. You may want to make a reservation as soon as you know you are going. We are only able to block 20 rooms at this time....

February 24th and 25th 2012

Holiday Inn Express Grandville at 616-532-0202

Please mention arrival date and block name of [Saginaw Bay Sharks](#) by Jan. 24th 2012

You will need to reserve your room with your credit card.

Rate is \$89.99 plus 14% tax a night.

They have a 24 hour cancellation notification requirement for weekends.

For those of you who may not be aware, typically, at the YMCA Michigan State Meet, an age group swims only on Saturday **OR** Sunday... so if you have only one swimmer you may only need to stay one night if that is better for you. In the past, the schedule has been:

Saturday Afternoon Session (25th): 9 & 10 & 11-12 Boys and Girl Swimmers

Sunday Morning Session (26th): 13-14 Swimmers **AND** 15 and Over Swimmers

I hope that helps.

CHET'S LANE

Great meet swimmers, parents and volunteers. It was awesome having 104 kids at the meet. Everything went great. We only have one more home meet this season the Valentine Inv. at John Glenn. Your swimmers are running out of meets to qualify for the championship meets, (MTSL, Y-STATE, Y- ZONE). The district meet will be last one to qualify for states. So lets take a bunch of sharks to this one, it will be awesome seeing that many orange caps in the pool.

Attention Parents we have reserved rooms for a lot of the away meets that are far away, these rooms are at a special rate so if you do not register for your room by that time you will not get the discount. You do not have to stay at the team hotel. It is just an option for you.

You must get an entry form from the website, you can email it to me, and bring a check to practice. We have been extending a lot of these meet entry deadlines to get more kids into our meets, however with the championship meets coming up. There will be no extension on these meets. Also there are a number of parents who owe monies. Please pay asap, I do not want to put a list in the newsletter. My email is: chetswan@charter.net. If you are not getting emails please contact Jane Collins: jfc3@sbcglobal.net
